

## **This Tooth**

I jiggled it,  
jaggled it,  
jerked it.

I pushed  
and pulled  
and poked it.

But-

As soon as I stopped,  
and left it alone,  
This tooth came out,  
all on its very own.

## **In the Fashion**

A lion has a tail, a very fine tail  
And so has an elephant and so has a whale  
And so has a crocodile and so has a quail  
They've all got tails but for me

If I had sixpence I would buy one;  
I'd say to the shop man "Let me try one"  
I'd say to the elephant "This is my one"  
They would all come round to see

Then I would say to the lion "Why you've got a tail!  
And so has the elephant and so has the whale  
And look! There's a crocodile! He's got a tail.  
You've all got tails like me!"
