

My Senses

Five little senses are what I need

To use when things are near.

I use my eyes to look and see,

I use my ears to hear.

I use my nose to smell things,

I use my hands to touch,

I use my mouth to eat the things I love to eat so much!

See You Later

See you later, alligator,

Bye-bye, butterfly,

Give a hug, ladybug,

Be sweet, parakeet,

Blow a kiss, goldfish,

See you soon, racoon,

Take care, polar bear,

Out the door, dinosaur!

My hippo has the hiccups

My hippo has the hiccups
And his hiccups shake the ground.
The floor is always rumbling
When my hippo is around.
I bought him at the pet shop,
But I missed a small detail.
I didn't see the sign said:
Hiccupotamus for sale.

Chores

Do the dishes,
Clean your room,
Use the vacuum,
Then the broom,
Wash the laundry,
Fold the clothes,
Clean the fridge,
Then the stove,
Wipe the counters,
Mop the floor,
Scrub all around,
Your bedroom door,
Clean the bathroom,
Toilet and all.
Get all your things,
Out of the hall,
You listening, Tom?"

I have to go,”

“What’s that Mom?

I wasn’t, no.”
