

The Apple Tree

Way up high in
an apple tree,
Two little apples
smiled at me.

So I shook that tree
as hard as I could.

Down came the apples,
Ummm they were good!

Five Little Goblins

Five Little Goblins sitting on the gate,
The first one said “Oh my it’s getting late”,
The second one said “I don’t care!”
The third one said “I see witches in the air”
The fourth one said “Let’s run and run and run”,
The fifth one said “Get ready for some fun”,
Then whoosh went the wind and out went the lights,
And the five little goblins rolled out of sight.

There was an old witch

There was an old witch, believe it if you can,
She knocked on the window and she ran, ran, ran,
She ran helter skelter with her toes in the air,
Corn stalks flying from the old witches hair.

Swish goes the broomstick, meow goes the cat,
Flop goes the fat toad sitting on her lap,
Hip hip Hurreh, what fun, fun, fun,
Halloween night, when the witches run.
